

**REMARKS**

Applicants have canceled claim 28, as being directed to a non-elected invention.

However, Applicants respectfully disagree with the cancelation of claims 9-12, 14, 15, 17, 18 and 20-25 by Examiner's Amendment in connection with the Notice of Allowance. Each of these claims is a dependent claim, depending an independent claim that has been allowed. Accordingly, there is a linking claim in the application, linking the withdrawn claims to the other claims such that, instead of canceling these claims, they should be rejoined into the application.

Applicants respectfully submit that this amendment should be entered under 37 C.F.R. §1.312 because these amendment does not raise new issues.

Applicant believes no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 23/2825 under Docket No. M1103.70138US01 from which the undersigned is authorized to draw.
